

# Provider Directory: Chile

Below you will find the 3 options your mission has access to provide medical coverage for young missionaries. Please pay close attention to the following instructions and the notes next to each provider listed in here. Should you have any questions please don't hesitate to contact your assigned Aetna representative Emmanuel de la Rosa, [DelarosaM6@aetna.com](mailto:DelarosaM6@aetna.com)

## 1. REQUEST LOA FOR GMMI PROVIDERS:

Mission will request the LOA from GMMI - Request LOA by phone or by email with the missionary's name and Aetna ID #, plus the provider name and address. The missionary will take the completed LOA to their appointment, along with the GMMI ID card and a form of identification. If medical expenses for missionary's medical treatment are over \$5,000 US Dollars please contact Aetna.
